

## Tech Sheet

### What is Ca10 10-0-0?

CELL POWER® Ca10 10-0-0 is a powerful foliar fertilizer with a 10-0-0 formulation, enriched with calcium and essential micronutrients. Designed to address calcium and micronutrient deficiencies, it supports healthy plant growth and development. This versatile product can be applied throughout the growing season, particularly pre-bloom to blossom drop in permanent crops, ensuring your plants receive the nutrients they need for optimal performance.

### KEY BENEFITS:

- **Enhanced Nutrient Uptake:** Provides essential calcium and micronutrients for improved plant health.
- **Comprehensive Nutrition:** Includes copper, iron, manganese, zinc, boron, and molybdenum.
- **Prevents Deficiencies:** Helps reduce calcium and micronutrient deficiencies.
- **Versatile Application:** Suitable for multiple applications during the growing season, especially pre-bloom to blossom drop.

### Rates and Timings:

#### Application Rate:

- General Rate: Use 1 to 4 quarts per acre

#### Timing:

- Pre-Bloom to Petal Fall: Apply during this critical period in permanent crops
- Growing Season: Multiple applications as needed in annual crop

Achieve exceptional crop health and yield. This advanced foliar fertilizer delivers essential calcium and micronutrients, preventing deficiencies and promoting robust growth. Ensure your plants thrive with comprehensive nutrition and versatile application throughout the growing season.

Please read and follow the specific application and usage guidelines on the label for best results.
