

Cell Power® Protein Plus® IMZ

Cell Power® Protein Plus® IMZ is formulated for all fruiting crops to ensure optimum utilization of these micronutrients during foliage development, fruit set, rind formation and fruit maturation. This blend of complimentary elements can be effective in non-fruiting crops as well.

As a liquid, **Cell Power® Protein Plus® IMZ**, plus protein hydrolysates is a easy to handle formulation that will not clog spray nozzles. This product may be applied foliarly or through sprinkler or micro irrigation systems. If you intend to blend this product with other fertilizers, a jar test is recommended to ensure compatibility. Use 1-4 quarts per acre, starting early in the season and during the growing season as needed based on tissue and soil sample results.

- 100% Soluble, readily available
- Contains Polysaccharides
- Balanced Nutrition

Analysis: 2%Fe + 4%Mn + 4%Zn

Density: 11.52 lbs/gallon

Packaging: 2.5-gal, 275-mini-bulk containers

Quality & Crop Safety is our #1 Goal
